

## HOGS FOR DOGS 2012

Our annual fund raiser to Help Assistance Dogs is on Sunday 18<sup>th</sup> March 2012.

As in the past we meet our pillion out the front of HOGS Breath Cafe Cronulla.

From here we leave in groups of 12 to 15 bikes taking them down to Mt Kiera Lookout where we stop for a break and then return to HOGS Breath.

On our return HOGS Breath provide us with a small feed.

We need as many bikes as we can on the day to be able to take a paying customer for a ride. The more bikes we can get on the day the more money we raise.

So write this one down on your to do list and mark the calendar and let Joker know if you will be there. It is always a fun day and we will be helping so many people plus raising awareness for this worthy cause.

We will be organising a ride to Cronulla with details available closer to the date.
